

WATERFRONT OLYMPICS SPIRIT AWARD 2025

Dear Team Captains:

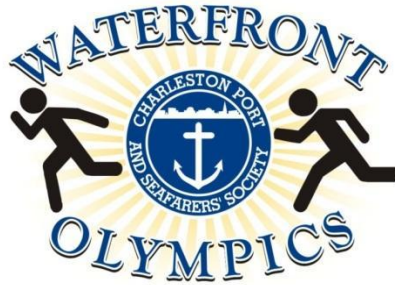

This year we are again asking each company to participate in deciding which team wins the Spirit Award.

- 1) Teams **MAY NOT** vote for themselves.
- 2) **EACH COMPANY** – Not Each Team – will have ONE vote.
- 3) Companies with multiple teams appoint 1 team captain to submit their vote.
- 4) If a company with multiple teams, submits multiple votes or votes for their own team – none of their votes will be counted

Each Team/Company will award points to another company or team based on 1st or 2nd place per category.

Sheets will be turned in no later than the start of the Mystery Event at the scoring stand.

A designated volunteer will receive & total the scores and will turn in all of the sheets completed by the companies and a consolidated score sheet for each team to Clark or Gary once they have completed compiling the numbers.

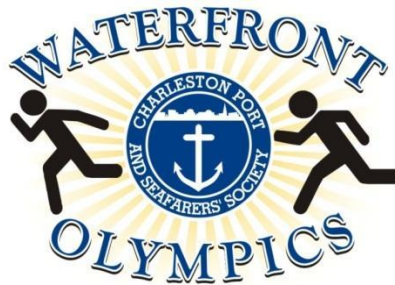

2026 SPIRIT AWARD SCORING

Teams will be judged on overall sportsmanship by several non-participants during the event. Consideration will be given to team theme, costumes, t-shirts, parade enthusiasm, co-operation and cleanliness.

This a family fun event with competition among friends.
